

*The Alumni Association of
SII / Lyman Ward Military Academy*

*Third Annual
Alumni Muster
July 17 – 19th, 2009*

Come home again. Stay in the dorm. Experience the freedom to roam the campus as an adult at your leisure. Reconnect with your past. Visit old friends. Make new ones. Enjoy good food. We may do a modest volunteer service project for the Academy, but this is not a work weekend. It is purely and simply for your enjoyment. Adult beverages permitted Saturday night at the Bonfire by the Lakes. Souvenirs will be available in Supply and at the Alumni Center during certain hours. It is not a Fundraiser but Association and Academy donations will be accepted. If you missed last year, here's another chance. On behalf of the Association Officers and Director, Join us! – *Carey Reynolds Treadwell '87*

Please register and pay by mail (posted) no later than July 4th or through the Online Store at www.lwalumni.org so we can have a head count for planning.
